

TRACTION ENERGY SURCHARGE

Valid for all services as an additional to all the prices provided by METRANS

Update from 01/10/2026

Please note that because of the increasing prices of traction energy with validity from 1.06.2022 a traction energy surcharge is introduced which will cover the additional costs resulting from this increase. This surcharge is valid till revocation.

Prices are shown in EUR, all prices made up to GENERAL CONDITIONS valid for the year 2025.

Traction energy surcharge for units sizes 23' - 30' are calculated as 1,5 * surcharge for 1 TEU (20')

METRANS reserves the right to change the fee.

Traction energy surcharge for 45' size units is the same as for 40'
